

UNDERSEA AND HYPERBARIC MEDICINE

The Journal of the Undersea & Hyperbaric Medical Society Inc.

CONTENTS • VOLUME 44 • NUMBER 6 • NOVEMBER/DECEMBER 2017

CLINICAL	Review on hyperbaric oxygen treatment in femoral head necrosis Enrico Camporesi, Giuliano Vezzani, Vincenzo Zanon, et al.	497
	Health care worker decompression sickness: incidence, risk and mitigation Richard Clarke	509
	Influence of hyperoxia on diastolic myocardial and arterial endothelial function T Wunderlich, N Frey, W Kähler, et al.	521
	Hyperbaric oxygen therapy as an adjuvant to source control in necrotizing soft tissue infections António Pedro Pinto Ferreira, Sérgio Santos Vide, Tiago David Fonseca Fernandes, et al.	535
	Hyperbaric oxygen suppresses growth of <i>Klebsiella pneumoniae</i> and enhances effect of tigecycline in vitro Lina Zhang, Qing Sun, Di Wu, et al.	543
	Dried salted plum consumption ameliorates hyperbaric oxygen therapy-induced otalgia severity at the first chamber session: a prospective randomized controlled study Fan-Chun Meng, Chih-Hao Shen, Chi-Ming Chu, et al.	551
	Quantitative Romberg’s test in acute carbon monoxide poisoning treated by hyperbaric oxygen Daniel Bidstrup, Erik Christian Jansen, Ole Hyldegaard	559
DIVING	The Dewey monitor: Pulse oximetry can independently detect hypoxia in a rebreather diver Rachel M. Lance, Michael J. Natoli, Sophia A.S. Dunworth, et al.	569
	Physiological responses to prolonged saturation diving: a field-based pilot study Sanjoy Deb, Katherine Burgess, Paul Swinton, Eimear Dolan	581
	Effects of prolonged and repeated immersions on heart rate variability and complexity in military divers Nathaniel T. Berry, Laurie Wideman, Christopher K. Rhea, et al.	589
	Smoking cessation program among naval diver trainees in the Republic of Singapore Navy Jake JK Goh	601
	Alternobaric vertigo and facial baroparesis caused by scuba diving and relieved by chewing pineapple: a case report Adam Bender-Heine, Zachary W. Dillard, Matthew J. Zdilla	607
POLICY & more	Letter: HBO ₂ Committee Chair Dr. Richard Moon addresses the FDA on incorrect information on the risks of hyperbaric oxygen therapy posted on the FDA website	611
	UHMS: Policy: Position statement on low-pressure soft-sided chamber use	612
	MEDFAQs: Q&As on current UHM topics	614
	UHMS-accredited facilities	xiii
	2017 UHM papers by issue through September-October 2017 (44-5)	xxi
	2017 UHM reviewers	xxvi
