

# The Journal of the Undersea & Hyperbaric Medical society inc.

UHM 2017, Vol. 44, No. 1 – TABLE OF CONTENTS

<b>Hyperbaric medicine today: an historically noble discipline challenged by loss of critical access and overutilization: <i>an introduction to invited commentary.</i></b> Enoch T. Huang	1
<b>Hyperbaric medicine today: an historically noble discipline challenged by loss of critical access and overutilization – <i>invited commentary.</i></b> Richard Clarke	5
<b>Garage carbon monoxide levels from sources commonly used in intentional poisoning</b> Neil B. Hampson; James R. Holm; Todd G. Courtney	11
<b>Evaluation of the Carefusion Alaris PC infusion pump for hyperbaric oxygen therapy conditions: <i>Technical report.</i></b> Andrew Smale, Teo Tsouras	17
<b>Test results for the evaluation of a glucometer for use under hyperbaric conditions: <i>Technical report.</i></b> Teo Tsouras	27
<b>Oridonin protects the lung against hyperoxia-induced injury in a mouse model.</b> Ying Liu, Pei-xi Zhang, Cui-hong Han, et al	33
<b>Changes in angiotensin II and angiotensin-converting enzyme of different tissues after prolonged hyperoxia exposure.</b> Cui-hong Han, Pei-xi Zhang, Ying Liu, et al	39
<b>Scuba in older-aged divers.</b> Michael B. Strauss; Jeremy A. Busch; Stuart S. Miller	45
<b>Relationship between clinical and radiologic findings of spinal cord injury in decompression sickness</b> Jae Myun Chung; Jin Young Ahn	57
<b>Adjunctive hyperbaric oxygen treatment for idiopathic sudden sensorineural hearing loss</b> Chun-Shih Chin; Tsai-Yun Lee; Ming-Feng Wu.	63
<b>Non-dysbaric arterial gas embolism associated with chronic necrotizing pneumonia, bullae and coughing: a case report.</b> Peter J. Ceponis; William Fox; Tina D. Taylor	73
<b>Bebe Vio: On top of the world.</b> Giacomo Garetto; Gerardo Bosco	79
<b>Erratum regarding inaccurate authorship attributions noted</b>	80
<b>IPE, SDPE, PESD: <i>What's in a name?</i></b> Neil B. Hampson	81
<b>TBI study questioned: Dr. Gottlieb</b>	81
<b>TBI study questioned: Dr. Weaver's response</b>	83
<b>TBI study questioned: Dr. Gottlieb's response</b>	85
<b>MEDFAQs: Q&amp;As on chamber maintenance logs and go/no-go lists</b>	87
