

UNDERSEA AND HYPERBARIC MEDICINE

The Journal of the Undersea & Hyperbaric Medical Society Inc.

CONTENTS • VOLUME 44 • NUMBER 4 • JULY/AUGUST 2017

DIVING & CLINICAL

- Performance of life support breathing apparatus for under-ice diving operations**
Michael A. Lang, John R. Clarke 299
- Cerebrospinal vascular diseases misdiagnosed as decompression illness: the importance of considering other neurological diagnoses**
Kiyotaka Kohshi, Yoshitaka Morimatsu, Hideki Tamaki, Yukio Murata,
Katsuko Kohshi, Tatsuya Ishitake, Petar J. Denoble 309
- Hyperbaric oxygen therapy for wound breakdown after oronasal fistula and cleft palate repair: four cases**
C. Lane Anzalone, Cara C. Cockerill Shelagh A. Cofer 315
- Attenuation of collagen-induced arthritis by hyperbaric oxygen therapy through altering immune balance in favor of regulatory T cells**
Byung-In Moon, Hyung-Ran Kim, Eun-Jeong Choi, Jeong-Hae Kie, Ju-Young Seoh 321
- Comparison of normobaric vs. hyperbaric oxygen in the relief of carbon monoxide headache pain**
Neil B. Hampson, Tarik Ocak 331
- Reduction of side effects of hyperbaric oxygen therapy with thymoquinone treatment in rats**
Ali Erdal Gunes, Orhan Gozeneli, Ali Akal, Muhammed Emin Guldur, Emin Savik 337
- Hyperbaric oxygen therapy for five days increases blood-brain barrier permeability**
Selçuk Tatar, Nurcan Orhan, Canan Ugur Yilmaz, Nadir Arican, Bulent Ahishali,
Mutlu Kucuk, Imdat Elmas, Mehmet Kaya, Akin Savas Toklu 345
- Effect of hyperbaric oxygen therapy on complete blood count**
Ali Erdal Gunes, Samil Aktas 357
- Delayed treatment of frostbite with hyperbaric oxygen: a report of two cases**
Corine A Lansdorp, Gert R Roukema, Onno Boonstra, Jan Dokter, Cees H van der Vlies . . . 365
- MEDFAQs**
- Compensating for hyperbaric treatments at altitude.** 371
- UHMS-accredited facilities** xiii
