

UNDERSEA AND HYPERBARIC MEDICINE

The Journal of the Undersea & Hyperbaric Medical Society Inc.

CONTENTS • VOLUME 48 • NUMBER 3 • THIRD QUARTER 2021

CLINICAL RESEARCH

- The effect of total compression time and rate (slope) of compression on the incidence of symptomatic Eustachian tube dysfunction and middle ear barotrauma: a Phase II prospective study
O.J. O'Neill, D. Dayya, L. Varughese, J. Marker, L. Perez, M. Dayya 209
- Point-of-care ultrasound in a multiplace hyperbaric chamber
Kirsten Hornbeak, Jay Duchnick, Anthony Medak, et al. 221
- Multiple and early hyperbaric oxygen treatments enhance muscle healing after muscle contusion injury: a pilot study
Naoki Yamamoto, Takuya Oyaizu, MD, Kazuyoshi Yagishita, et al. 227
- Changes in acid-base status in oxygen toxicity at 230 kPa oxygen as a function of exposure time
Xiao-Chen Bao, Hong Chen, Yi-Qun Fang, et al. 239
- Brain stem and spinal cord demyelination due to acute carbon monoxide poisoning
Yan Lv, Yv Zhang, Shuyi Pan 247
- Hyperbaric oxygen therapy and fluorescence angiography in arterial insufficiency secondary to injection of crushed hydromorphone
Kristi Ray, Davut Savaser, Enoch Huang 255

DIVE RESEARCH

- Submarine medicine: An overview of the unique challenges, medical concerns, and gaps
Luke A. Beardslee, Erica T. Casper, Ben D. Lawson 263
- Decrease in dysbaric osteonecrosis severity as a result of 45-minute oxygen pre-breathe
Jacob Lamers, Kent MacLaughlin, Dave Pegelow, et al. 279
- Effects of hyperbaric oxygen pretreatment on brain antioxidant capacity in rats with decompression sickness
Ya Li, Xiaona Xu, Junxiang Bao, Wenlan Wang 287

INDICATIONS

- Hyperbaric oxygen for refractory osteomyelitis from *Hyperbaric Oxygen Therapy Indications*, 14th ed.
Brett B. Hart 297

2021 UHMS ANNUAL SCIENTIFIC MEETING ABSTRACTS

- Session A - Hyperbaric Physiology and Mechanisms of DCS. 325
- Session B - Hyperbaric Equipment and Technology. 327
- Session C - Diving Operations 339
- Session D - Treatment of DCS. 342
- Session E - Mitigation and Prevention of O₂ Toxicity. 353
- Session F - Diving Performance and Medicine 360

MISSION SUPPORTERS

- UHMS-accredited facilities. iv
- UHMS Corporate Partners. x
- UHMS supporters, partners and house ads xi
